iPad Settings

- Students may not change any iPad settings from the original defaults.
- Inappropriate media may not be used as a background or notification sound. This includes images of guns, weapons, pornographic materials, inappropriate language, alcohol, drug, gang related symbols or pictures or any other material that is not school-appropriate will result in disciplinary actions.

Home Internet Access: Students are allowed to set up home Wi-Fi access on their iPads.

ACCEPTABLE USE

Quigley Catholic High School is pleased to be able to offer iPads to our students. This device will provide tools, resources and 21st century skills to those who use it properly. To gain access to this device, students and parents must sign and return the Pledge Form to the school.

While the iPads are provided to enhance educational goals and objectives, students may find ways to access other materials that may not be considered educational or appropriate. For this reason, it is extremely important that rules be followed. Misbehavior could result in temporary or permanent loss of access to technology privileges. Violations may result in disciplinary action up to and including suspension or expulsion for students. When applicable, law enforcement agencies may be involved.

Use of Face time: Face time will be use for home bound instruction. It is the parents and student responsibility to insure appropriate dress, behavior and home setting. Parents and student should be aware that teachers and other students may see and hear the homebound student.

Use of Camera: The use of the camera is precluded.

Parent/Guardian Responsibilities

- It is the parents' responsibility to supervise the use of the a school iPad at home.
- Quigley Catholic may or may not provide a Web filter for off-campus use. The student could be subject to controversial or inappropriate content without proper monitoring. If a student uses the device in a harmful, inappropriate or illegal manner, both the student and parent will take full responsibility.
- Any use of the iPad outside of the school day still falls within the guidelines of this Handbook. All students will abide by these guidelines while using their iPad either at or away from school.
