

Naming Scholarship Opportunity

Dear Alumni and Friends,

Quigley Catholic High School has provided college prep education rooted in strong Catholic values for over four decades. Our graduates have become leaders in their communities, churches and the business world.

Tuition in 1967 when we opened our doors in 1967 was \$100. Unfortunately, now it is over \$8,000. That figure would be higher it wasn't for generous benefactors, alumni and friends of Quigley Catholic. Many families struggle to pay tuition while others do not enroll because they feel they cannot meet tuition requirements. **This program WILL make a difference.**

Throughout the years several families and individuals have helped students through naming and memorial scholarships. These scholarships helped students attend who may not have done so without them.

Our Goal is 50 naming scholarships for the 2012-2013 school year in place by April 2012.

The program works as follows:

- 1. Make a tax deductible commitment for one or more years. (Suggested donation \$500/year)
All Credit cards accepted. Monthly installments available.**
- 2. Create a Name for your Scholarship. (Example: Spartan Spirit Scholarship)**
- 3. Determine a profile of your scholarship recipient.**
- 4. Complete form below and send it with your tax deductible donation by April 30, 2012.**

All scholarship will be awarded according to your profile and financial need. All recipients must maintain a "C" or better average to receive your scholarship. If they do not, the remaining scholarship will be distributed to another worthy student.
